

## Using The New 1800WxBrief.com

Come spend an evening with an expert who will teach you how to use all of the new amazing free services from Lockheed Martin on [www.1800wxbrief.com](http://www.1800wxbrief.com). Did you know you can activate and close flight plans by text message? The new site includes that and tools to pick the best altitude and time of flight and a much easier to read weather brief. Every pilot and CFI must learn about these tools!

**Directions:** 800 E. Santa Maria Street #E  
Santa Paula CA 93060

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
